KEY PROJECTS

- **E-Commerce Store (Crackers App)** – Elevated the performance and customer satisfaction of the Crackers App store by implementing a caching strategy that slashed average page load times by 35%, resulting in a more fluid user experience.
- **MediData Healthcare Portal** – Designed a secure portal with role-based access, unit testing, and optimized queries, improving report generation speed by 25%.
- **Job Tracker** Architected a MERN stack job tracker application featuring real-time notifications for 10 users and enabled collaborative Git-based workflow, leading to 20% fewer duplicate job applications among monitored users.

INTERNSHIP EXPERIENCE

- **Celebal – Node.js Developer Intern** May–Jul 2025
Developed task manager APIs with Node.js and MySQL, improving query efficiency by 20% and reducing bug reports by 15%. Automated CI/CD pipelines for faster deployments.
- **Ceeras Pvt. Ltd. – Full Stack Intern** Feb–Jun 2025
Created a quiz platform serving 500+ students with a scalable backend, reducing average API response time by 30%. Awarded **Best Backend Intern**.

CERTIFICATIONS & ACHIEVEMENTS

- MongoDB Certified Associate (Node.js) – Scored 87%, validated expertise in schema design, queries, and performance optimization
- HackerRank Certified (React, Node.js, CSS) – Placed in top 10% of developers globally on technical assessments
- Hackathon Participant – Designed a real-time collaboration app in 36 hours; solution ranked in top 15% for innovation and scalability
- 1st – App Builder, 3rd – Coding Contest (HCET)
- Best Backend Intern – Recognized for reducing query response times by 30% during internship at Ceeras Pvt. Ltd.
